

Circular Number- TSSWR/2024-25/003

Date- 20.04.2024

***A worm-free child is a healthy child: Let's join hands for
National Deworming Day!!!***

Dear Parent,

With due respect, we would like to inform you that as per the guidelines of Directorate of Education, the Deworming Week is going to be organized from 23.04.2024 to 30.04.2024. to make the students and parents aware about the meaning and other essentialities of Deworming, we highly recommend you to go through this particular circular for better understanding-

OBJECTIVE OF NATIONAL DEWORMING DAY

The objective of National Deworming Day is to deworm all preschool and school-age children (enrolled and non-enrolled) between the ages of 1-19 years through the platform of schools and Anganwadi Centers in order to improve their overall health, nutritional status, access to education and quality of life.

Therefore, as per the understanding towards the said concern, this is to inform you that your ward will be provided a tablet of Albendazole in the coming Deworming Week from our school which will be taken by the child with their parent's consent at home. The tablet is chewable in the intake process and parent is highly recommended to provide the tablet to their ward after 15-20 minutes of the intake of meal. It is to be strictly noted that this tablet is not meant to be taken with an empty stomach.

Parents are requested for the coordination and understanding in this concern. Kindly enlighten your children towards the meaning of deworming and the importance of taking this tablet.

With Warm Regards,
Principal
The Samarth School
Main Wazirabad Road,
Delhi-110093
