Date – 22.04.2024

CIRCULAR REGARDING STEM INNOVATION PROGRAM

Dear Parents/Guardian,
Warm greetings from The Samarth School!

As you all know that National Education Policy 2020 emphasis on experiential approach towards learning and to develop scientific temperament, analytical skills & logical thinking in child. So, school has taken the initiative to provide Education to all interested students from Grade III to Grade VIII.

It is a curriculum based on the idea of educating students in four specific disciplines - Science, Technology, Engineering and Mathematics in an interdisciplinary and applied approach.

The Samarth School, Wazirabad in collaboration with INN STEM LAB is organizing STEM Innovation Program for students within the school hours.

Benefits and details of the STEM Program:

- * A Take Away STEM Kits for individual students along with worksheets.
- * There will be around 18-20 offline sessions.
- * Free online workshops - Coding & Game designing, Artificial intelligence, Virtual Robotics.
- * Certification after completion of program.
- * Free participation in National STEM Challenge.
- * Participation in International Coding and Artificial Intelligence competition.

The classes will be held once a week starting from new academic year 2024- 25. All the Required Tool kits will be provided by the company. The fees for the above STEM Innovation Program sessions will be informed soon. Interested students can provide the consent to their respective class teachers.

We request the parent to kindly consider this opportunity as per their understanding.

Regards,
Principal
