Dear Parents

Greetings from The Samarth School!

At onset, I would like to Thank You from the bottom of my heart, for extending prompt support to 'my' team today, as we rallied to safeguard 'our' children!

Though receiving the hoax was unfortunate, yet it was nothing short of blessing in disguise, for, it brought to fore some key factors, such as

1. The preparedness & readiness of the school in the face of any challenge.
2. The promptness and swiftness with which over 3000 students were safely evacuated, and handed over to the respective parents.
3. The unprecedented and unmatched agility with which Samarth Family ensured safety of all its members.
4. The endorsement by the investigating agencies (Delhi Police, Delhi Fire Service, & Bomb Disposal Squad) about the unparalleled safety measures in place at Indraprastha for its learners.

Above all, it also highlighted the trust you repose in The Samarth School.

I would also like to put it on record that my team not only ensured that all children were safely evacuated, they also confirmed, re-confirmed about the safety of each child till s/he reached home safely!

Dear Parents, thank you for being our equal partners!

Kindly note that the school will function, as usual, as per the summer timing, from tomorrow onwards.

Let's try to make this world a safer and better place for 'our' children!

Warm Regards

Principal
